**NEW YORK - (April 1, 2025)** – [City Cruises](#), the leader in dining and sightseeing cruises worldwide, is excited to announce “**Maximum Flavor with Chef Adrienne: A Culinary Voyage**,” a new immersive culinary experience with Chef Adrienne Calvo, an award-winning Chicago-born chef and restaurateur. Chef Adrienne will embark on a six-city tour this summer and fall, starting in Chicago on May 14, followed by events aboard City Cruises ships in Boston, Washington, D.C., New York, San Francisco, and San Diego.

With [50% of global travelers](#) booking restaurant reservations before flights this year, City Cruises’ new partnership with Chef Adrienne delivers an unique opportunity for foodies looking to immerse themselves in America’s culinary capitals. The culinary tour is part of City Cruises’ new live entertainment series, [City Cruises Live](#), which is bringing the best in live entertainment, music, sports, and more to the water.

"Great food should be more than just a meal—it should be an experience that excites, transports, and brings people together," said Chef Adrienne Calvo. "That’s why I’m thrilled to partner with City Cruises

Live to create six unique menus, each inspired by the flavors and culture of our incredible port cities. This series isn't just about dining—it's about making unforgettable memories, and I can't wait to engage with guests on board this culinary journey."

As part of the event, guests will enjoy an expertly curated four-course menu tailored to each city's unique cuisine, blended with Calvo's signature "Maximum Flavor" style. While dining, Chef Adrienne will walk guests through her inspiration, flavors, ingredients, and process, and will even partake in a live cooking demonstration in most cities. While enjoying stunning views of some of America's most famous locales from the water, guests may also have access to a full bar to enjoy cocktails and music provided by an onboard DJ. As a VIP add-on, guests can opt to board early for an exclusive meet and greet with Chef Adrienne, which includes a live cocktail-making demonstration led by Calvo and photo opportunity with a signed, printed souvenir photo. Additional extras in select ports include a signed copy of Chef Adrienne's cookbook and an event-exclusive culinary apron.

Notable standout menu items will include playful twists on Chicago classics, such as charred octopus with giardiniera relish, "Deep Dish" tomato bisque, and Chicago stout beer braised bone-in short rib. In Boston, the city's rich maritime tradition is reflected in its selection of Duxbury Bay fresh oysters, New England clam chowder, Panko-crusted cod, and Boston cream pie to round out the four-course meal. Menu details for other cities are coming soon, and all menus are subject to change.
